

Product Change Notice

EPS-AT270 Series Change

- **Notification #:** 2012040001
- **Date of Publication:** 1th of April, 2012
- **Affected Model:** Listed Below
- **Change Description**

Due to high increase in the MOQ of PCIE-H 26P connector and a low inquiry from customers, the specification of EPS-AT270 version A1 has been changed to optimize resources and to mutually benefit customers and Avalue. Price will drop without any MOQ in EPS-AT270 version B1. Avalue therefore, hereby announces that the Express Card/34mm Slot will be removed from EPS-AT270 series as soon as the A1 version of EPS-AT270 runs out of stock.

- **Customer Impact of Change and Recommended Action**

Please review this information carefully and note that products listed below will be affected.
