

Product Change Notice

BFC-10W Series Change

- **Notification #:** 2015060001
- **Date of Publication:** 10th of June, 2015
- **Affected Model:** Listed Below
- **Change Description**

To maximize the product life and keep up the market trends of BFC-10W series, we are replacing EOL TFT LCD panel (CMO N101LGE-L11/L21) to new Panel (AUO G101STN01.0) with higher brightness solution. The LED panel luminance will be increase from 200nits to 250nits. Please note that all other functions and dimension of the product remain the same with previous versions. This change will be implemented when EOL panels have running out of stock.

- **Customer Impact of Change and Recommended Action**

Please review this information carefully and note that products listed below will be affected.
