

Product Change Notice

Component change for ECM/ EPC/ ERS-A50M

- **Notification #: 2016040001**
- **Date of Publication: 1st of April, 2016**
- **Reasons for Discontinuation:**

Product Change Notice (PCN) pertaining to Avalue ECM-A50M, EPC-A50M and ERS-A50M products. The key component of LVDS converter of Analogix ANX3110 is going to end of life. Avalue has revised our design which takes Chrontel CH75111 instead, to extend the life of product further. The edition of product will be changed from current to next version accordingly. This change will be implemented when those products are running out of stock.

- **Customer's impact toward the change and recommended action**

There will not be any impacts on your current design and usage. All functions stay the same with previous version. Avalue still maintains the affected models, but strongly suggests you to verify the replacements to take the advantage. Please get into contact your sales window for replacement request and use the updated ordering part number when you place order.
