

Product Change Notice

Feature Change

- **Notification #: 2015020002-1**

- **Date of Publication: 4th of May, 2015**

- **Affected Model: Listed Below**

- **Change Description**

Product Change Notice (PCN) pertaining to Avalue ECM-LX800 products. This notice reflects the removal of LVDS function owing to the EOL of LVDS converting chip in 2011 and not able to be sourced on the market anymore. This change will be implemented when the chips are running out of stock.

- **Customer's impact toward the change and recommended action**

The version of PCBA and the rest functions stay the same. There will be no impact on whom doesn't need LVDS function on ECM-LX800. For those who need LVDS function, we suggest you adopt the replacements as suggest in below table. Please review this information carefully and inform your clients accordingly.

- **Product Affected/ Avalue P/N**

Affected Model	Description	Replacement
ECM-LX800-B1R	3.5" LX800 W/PC104/4COM B1	ECM-LX800-18-A2R (Single-Channel 18-bit LVDS) ECM-LX800-24-A2R (Single-Channel 24-bit LVDS) ECM-DX2-24-A1R (Single-Channel 24-bit LVDS)
