

Product Change Notice

PPC-21XX Series Change

- **Notification #:** 2016010002
- **Date of Publication:** 12th of Jan, 2016
- **Affected Model:** Listed Below
- **Change Description**

In an effort to maximize the life of this product and continue with market trends; we will be upgrading the LCD panel of the PPC-21Wx and FPC-21W07 series from CCFL to LED backlight solution. The panel change will improve the overall power consumption of the unit and will still provide the same Full HDXGA (1920x1080) resolution. The LED panel luminance, however, will be reduced from 300nits to 250nits. Please note that all other functions of the product stay the same with previous versions.

- **Customer Impact of Change and Recommended Action**

Please review this information carefully and note that products listed below will be affected.
